The 1950 ANVIL presents . . .

"THE BEST YEARS OF OUR LIVES"

THESE HAVE BEEN THE BEST YEARS OF OUR LIVES

Just look around and count our blessings now.

When we were younger, we had fabulous dreams — world
 conquering schemes.

But now there is hope and you to see me through, and these
 have been the best years of our lives — away beyond
 our dreams of yesterday.

No matter what tomorrow brings — the soul inside me sings
 that these have been the best years of our lives.

DEDICATION . . .

These have been the best years of our lives. They have set the foundation; it is up to us to build from there. How high we build and how strong our building depends on us.

These years have brought us more than education — along with the tears and laughter of youth, they have given us memories of yesterday and dreams for tomorrow. But we need more than dreams. We need a firm belief in ourselves and in our ability to fulfill those dreams.

We dedicate this year's Anvil to that dream, to that future, knowing full well that "The future lies not in the hands of fate, but in ours."

1950 ANVIL WASHINGTON HIGH SCHOOL
EAST CHICAGO, INDIANA

Mr. Cash and representatives of their respective classes: Josephine Chapman, junior; Mr. Cash, principal; Mike Connelly, senior; George Bulfa, freshman; Barbara Bartok, sophomore.

Mr. Frank E. Cash, the principal of Washington High School, has done much to earn the respect and admiration of both the students and faculty. Mr. Cash came to Washington High School as a coach. He continued in this position for thirteen years, after which he became director of physical education in the East Chicago Public Schools for six years. He was then promoted to assistant principal. During this time he showed his ability to handle the responsibilities of that position. In 1945 Mr. Cash was made principal of Washington High School. During the five years that he has held this office, he has done much to live up to the last three letters of the word, "principal". He is truly a pal to the students and faculty of Washington High School.

A few of the persons who have helped to make these the best years of our lives are the members of the administration.

Mr. T. V. Altenderfer and Mr. C. E. Kellam, assistants to Mr. Cash, deserve their share of the credit. They have done well in seeing that the rules and regulations of our school have been obeyed.

Miss Kate De Pew, dean of girls, and Mr. C. E. Kellam, dean of boys, are responsible for helping the students to keep on the right path. They have executed their duties faithfully, and their doors are open to any student needing guidance.

In Memoriam Clarence E. Fauber

Born 1893 Died 1949

Mr. Fauber, born in Tazewell County, Illinois, graduated from Monticello High School in 1911 and began teaching that same year. In 1924, after thirteen years of teaching experience, he came to East Chicago. In 1936, Purdue University granted him a Bachelor of Science Degree in Industrial Education and awarded him the Master of Science Degree in Education in 1948.

For twenty-five years, Mr. Fauber was instructor of woodworking and cabinet making in Washington High School and the unofficial counselor of many youth. In 1946, he became counselor for the freshmen. By 1948, he was recognized as chairman of the Industrial Education Department, and his fellow teachers honored him by electing him for two years as president of the East Chicago Teachers Association.

Just this fall Mr. Fauber became assistant principal in charge of Washington Elementary. In this position, he again demonstrated his ability to give his all in every assignment he undertook. In the few months that he was in the elementary school, he was loved and respected by both the students and teachers.

Mr. Fauber will always be remembered by everyone as a kind and enthusiastic teacher, and also as a good friend.

ACTIVITIES

This is the senior class of 1950 as freshmen. Can you remember how our hearts pounded every Thursday night as we went into the elementary school gym to learn the 1-2 step from Miss Kopko? The five foot four girls were lined up on one side of the room and the four foot five boys on the other. This was the preparation for our first big activity in high school — the Freshman Party.

This was the climax, the supreme moment when we walked in with our first high school date. Do you recall the embarrassment of the first turnabout dance when it was up to the girl to pick her partner? How afraid you were to ask your secret thrill because he would find out about your crush? So you asked his best buddy, who probably became your "steady".

And now we are seniors — the years have been short and beautiful. The dancing is over, and we are walking home, hand in hand, with tears in our eyes and trust in our hearts. It has been a wonderful four year party. We had our failures and profited by them; we had our triumphs and reveled in them. Now we have the future, and "No matter what tomorrow brings — the heart inside me sings that these have been the best years of our lives."

ARS OF OUR LIVES" . . . AT WORK

"We will do our best to turn out an excellent yearbook, and we will co-operate with each other in order to achieve this goal." This is the contract the Senior Anvil Staff made with the school and the senior class.

Suppose we peek into room 213-A and catch our Anvil Staff at work. That nervous, young woman running up and down our 19'x6' office happens to be Violet Vlahinich, the editor. Violet has assumed the responsibility of seeing that all the work is in before the deadlines . . . and it's no easy job.

Following close at Violet's heels is Luellen Simbalmos. Luellen is the managing editor and supervises the work of the advertising and subscription staffs.

Heading the advertising staff is Lillian Logan. Lillian and her staff have been making the lives of the merchants miserable until they have bought a space in our Anvil.

In one corner of the room we seem to see little yellow slips and dollar bills flying around. No cause for excitement, it's only Leona Antonian and Catherine Spoljaric, the subscription editor and assistant, planning their campaign to sell thousands and thousands of Anvils.

That isn't machinery you hear, it's the overworked brains of our literary editors, Rose Marie Galosich and Carolyn Myren. They have charge of all the write-ups, and it seems to be wearing them out.

Walking around with a dazed look on her face is Rose Marie Spudick, the secretary-treasurer. If you listen closely, you can hear her mumbling something like this — checks for this company, receipt to Mr. So & So, must get that letter out — poor Rose.

Banging away on the typewriter is Marie Skertic. Ready to take over when she collapses is Mary Ann Nallenweg; and when she's done for, there's always Ruth Blankenship. This is our production staff. By the way, Mary Ann Nallenweg is also assistant editor of the *Weekly Anvil*.

Bent over his drawing board is the "Rembrandt" of the Anvil Staff. He is Sim Hogan, the art editor.

Squeezed just inside the door are Minnie Morgan and Art Meyers, our sport editors. They are also in charge of concessions. Last, but not least is Sam Korgich, our photographer, who is probably out snapping pictures right now.

Well, that's your staff. Except for a few gray hairs, we're none the worse for wear. But how well we've done our job . . . that's up too you!!! We did our best.

SENIOR ASSISTANTS

Left to Right: Galik, Holt, Hanusniak, Vano.

Not Pictured: Betty Jones, Mildred Galbo, Dolores Luptak, Louis Parnisari.

With the help of faculty advisers — Mr. Kincaid, Mr. Matovich, and Miss Murphy — this year's *Weekly Anvil* deserves to make the headlines. For the first time in twenty years the style of the *Weekly Anvil* was changed. Instead of the traditional three column style, four columns are now used to make a better and more interesting school paper.

In addition to this, another major change occurred. No longer do the print shop classes do the work for the paper. The staff is assigned to a regular print shop class and given print shop credit for it.

Let us introduce this year's staff. We are proud of their achievement and congratulate them on their success. The editor, blond and brilliant, is Mildred Galbo. Talented Virginia Galik and versatile Eugenia Baltes are assistant editors.

Clever Esther Jacoby writes the interesting articles with a new slant that has created much comment. Her mystery questions have stumped the best of us.

The diary of Hortense, based on her friendship with Myrtle, was exposed by columnists Gladys Drake and Salli Evans. In it was found all the latest gossip and through the year it has proved most informative.

Beating a path to and from the Post Office, we found and identified our exchange editors, Pat Karvelis and Mary Ann Nallenweg. Mary Ann took over the job of assistant editor when Eugenia graduated in January.

The roving reporters — Renette Golden, Dorothy Tengosik, Helen Psaltis, Irene Vano, Teresa Szymanski, and Kathryn Poi — are continually coming up with something new in the way of news stories about activities in school.

On the sports page Amelia Hanusniak kept the sports-minded girls well-informed.

George Henderson should be commended on the excellent work done in writing the boys' sports column.

Last, but by no means least, we have the business managers, efficient Corelei Crowe and energetic Joyce Hetrick. It was their job to supervise the sales of the solicitors and distribute the *Anvil*.

STUDENT GOVERNMENT

The student government is composed of eighteen councilmen, judge, clerk, and the student manager. The records will show that our student manager has fulfilled his job to the minute details. We knew we would have a well-done job with Chuck Kelly as the student manager.

Presiding over the student government is a senior member of the organization who has been very active in school affairs. He goes by the title of "The President of the Student Government, Paul Bubala."

"Order in the court" is the familiar cry of the honorable Judge Longnecker, more commonly known as Bert. Letters, notes, and minutes are all efficiently attended to by Pearl Chaffee, the clerk.

Under the guidance of Mr. Palmer, this year's student government has gone far to make Washington High School a better place.

ECHOING STRAINS OF SWEET MUSIC

The aim of every student interested in vocal work is to secure a place in the Choral Club. This year the Choral Club, under the direction of Mr. Wilber Hoel, was very busy. Things were really "humming".

The first week was "get acquainted week" for both members and instructor. This ended with Mr. Hoel's sweeping the floor after initiation and singing, "I've Been Working on the Railroad". Then everyone got down to business.

The first appearance was made during National Education Week before an audience of students and parents. In December, the Choral Club and the Concert Orchestra combined talents to present a fine Christmas program. This was presented in two assemblies and an evening performance, all in one day. As soon as studies began in January, work was started for a Sunday afternoon program in March, the spring concert in May, several exchange appearances with neighboring schools, and another assembly.

Choral Club members elect two sets of officers, each serving for twenty weeks. Officers for the first semester were Andrew Stokes, president; Edward Gaio, vice-president; and Eugenia Baltes, secretary. The second semester's officers were Dan Angel, Luellen Simbalmos, and Carolyn Myren.

Washington has always been proud of its Choral Club and this year was no exception. The Choral Club has always been known for its fine spirit of co-operation, and this spirit was shown by both old and new members in their reception of Mr. Hoel during his first year of teaching at Washington High School. Much of the credit goes to Mr. Hoel, who proved himself worthy of the student's expectations.

The All-school play presented this year was "Stage Door", a drama picturing the trials and tribulations of girls who love the stage. Miss Mildred Johnston directed the play and added one more success to her long list of entertaining dramas. The play was presented at two assemblies and an evening performance on February 17. To say the play was a success is not enough, for the cast was chosen so carefully that each part was played with a naturalness that charmed the audience.

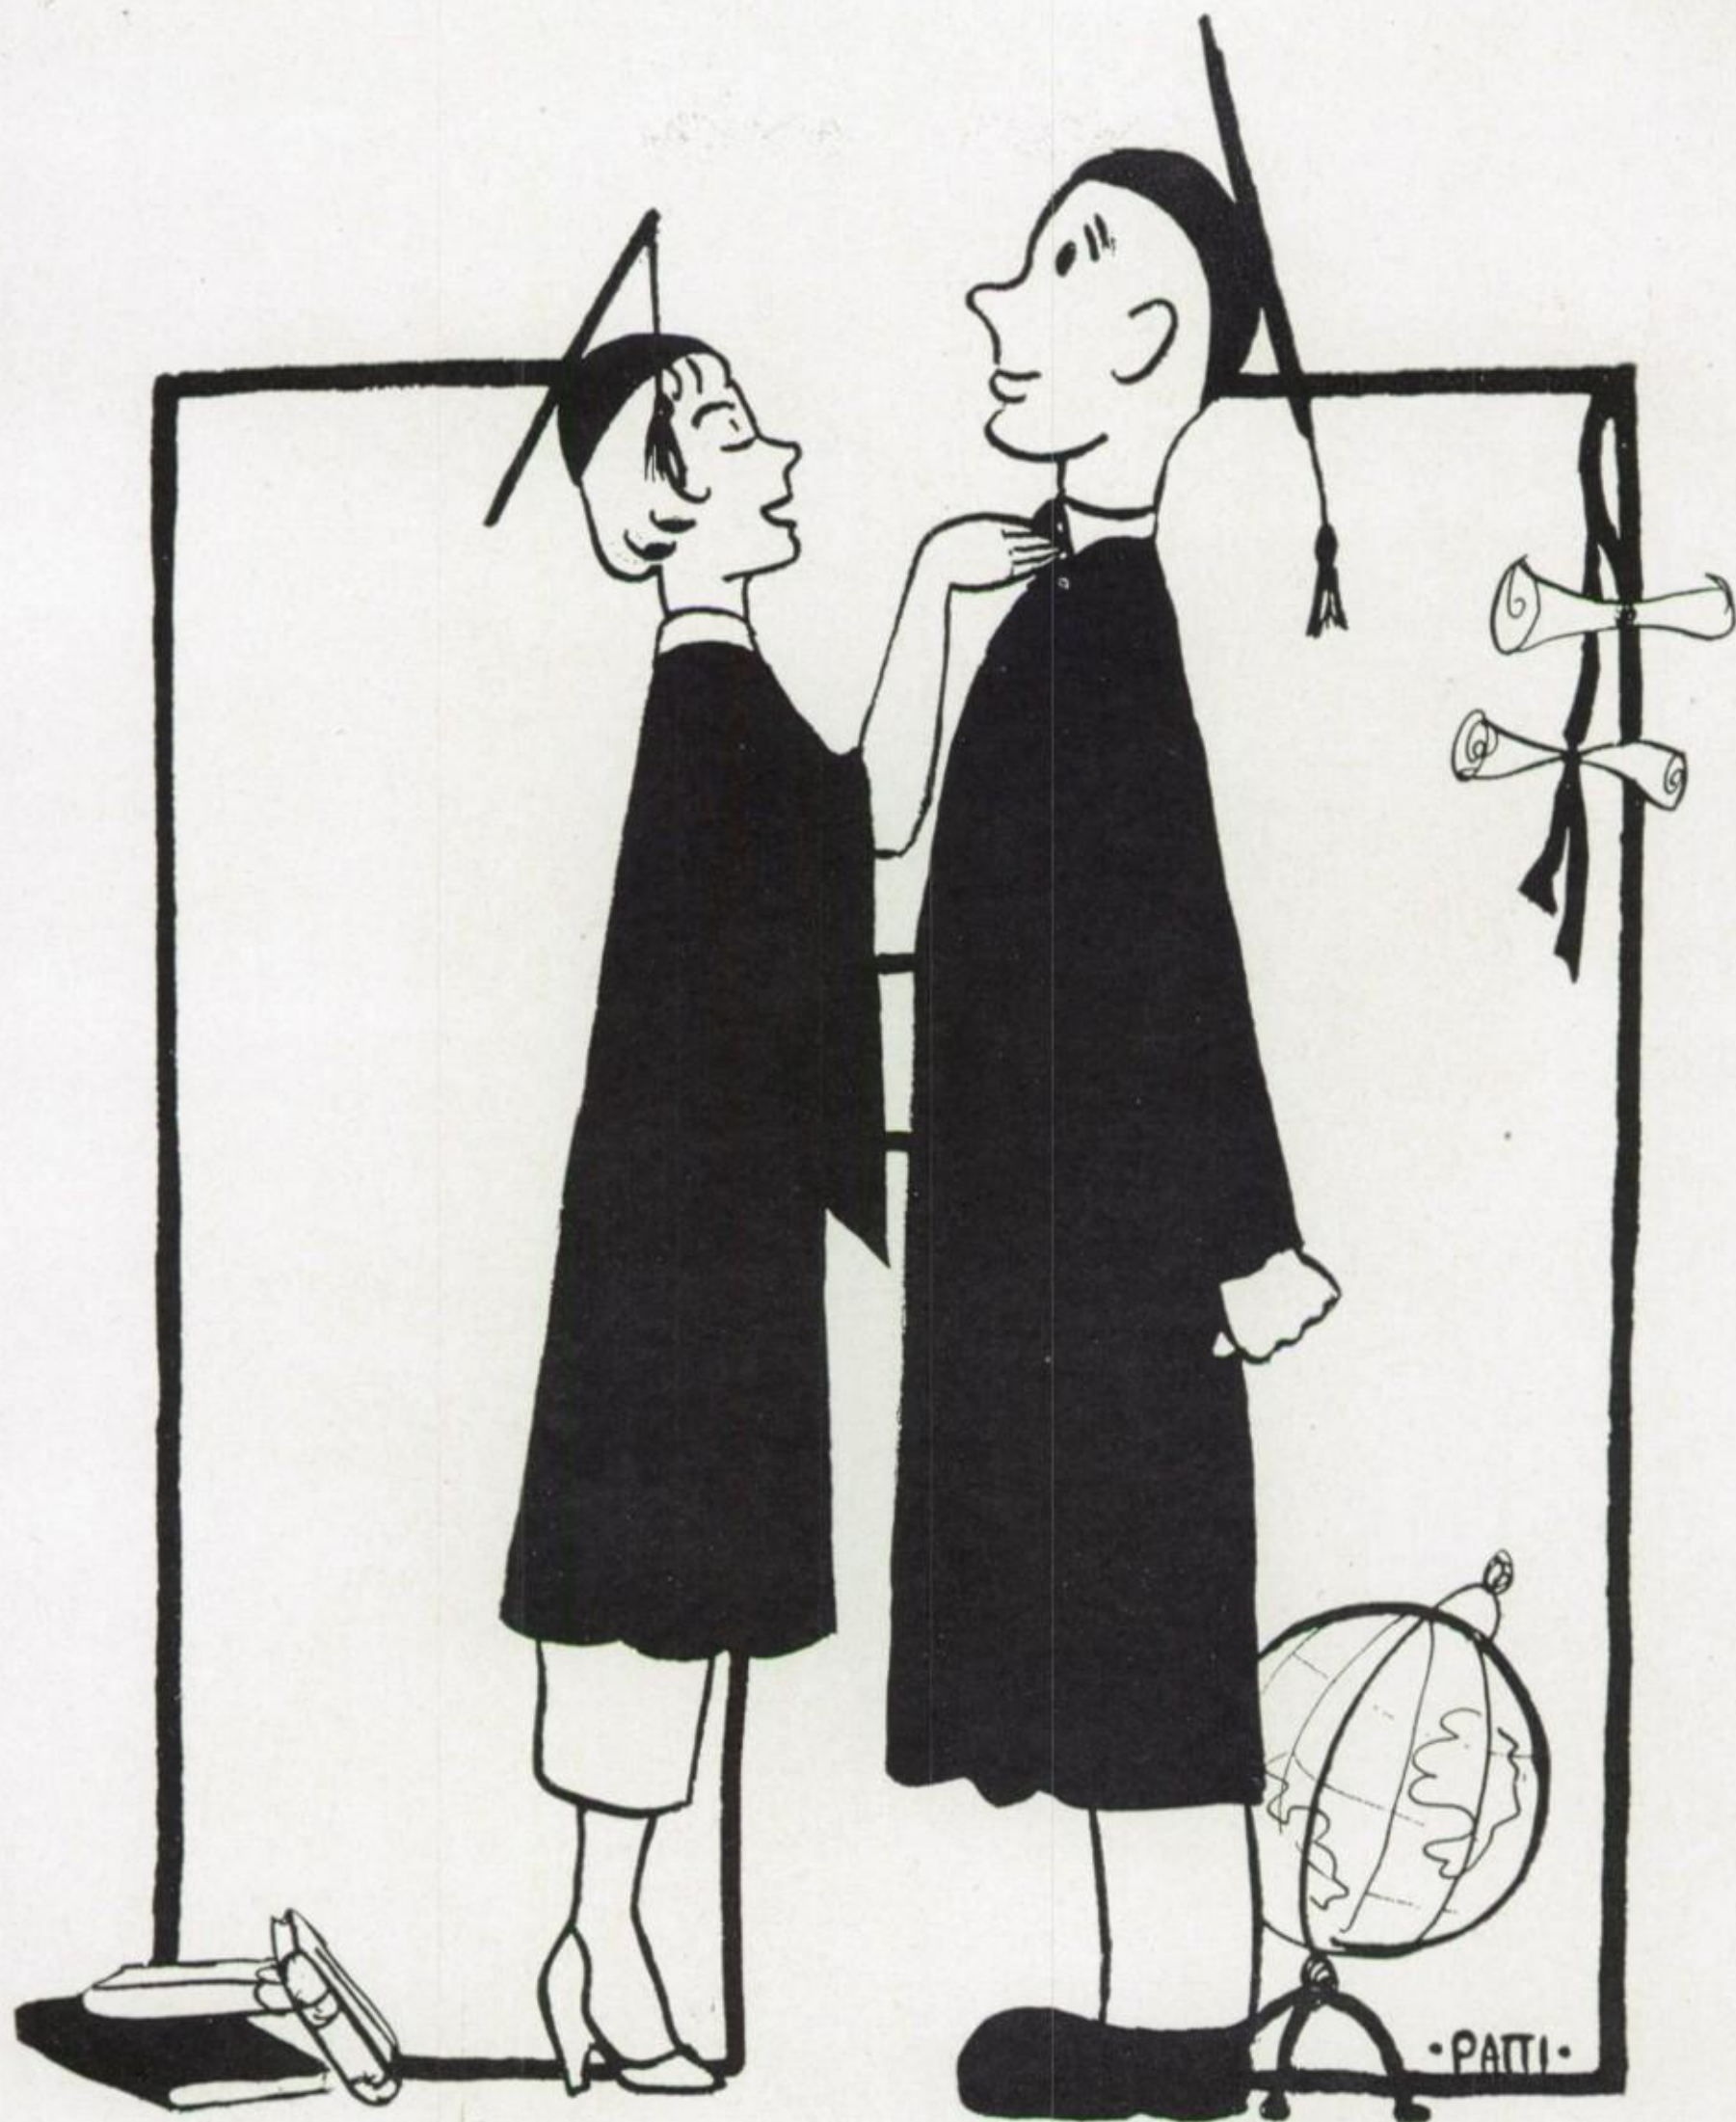

SCHOOL PLAYS...

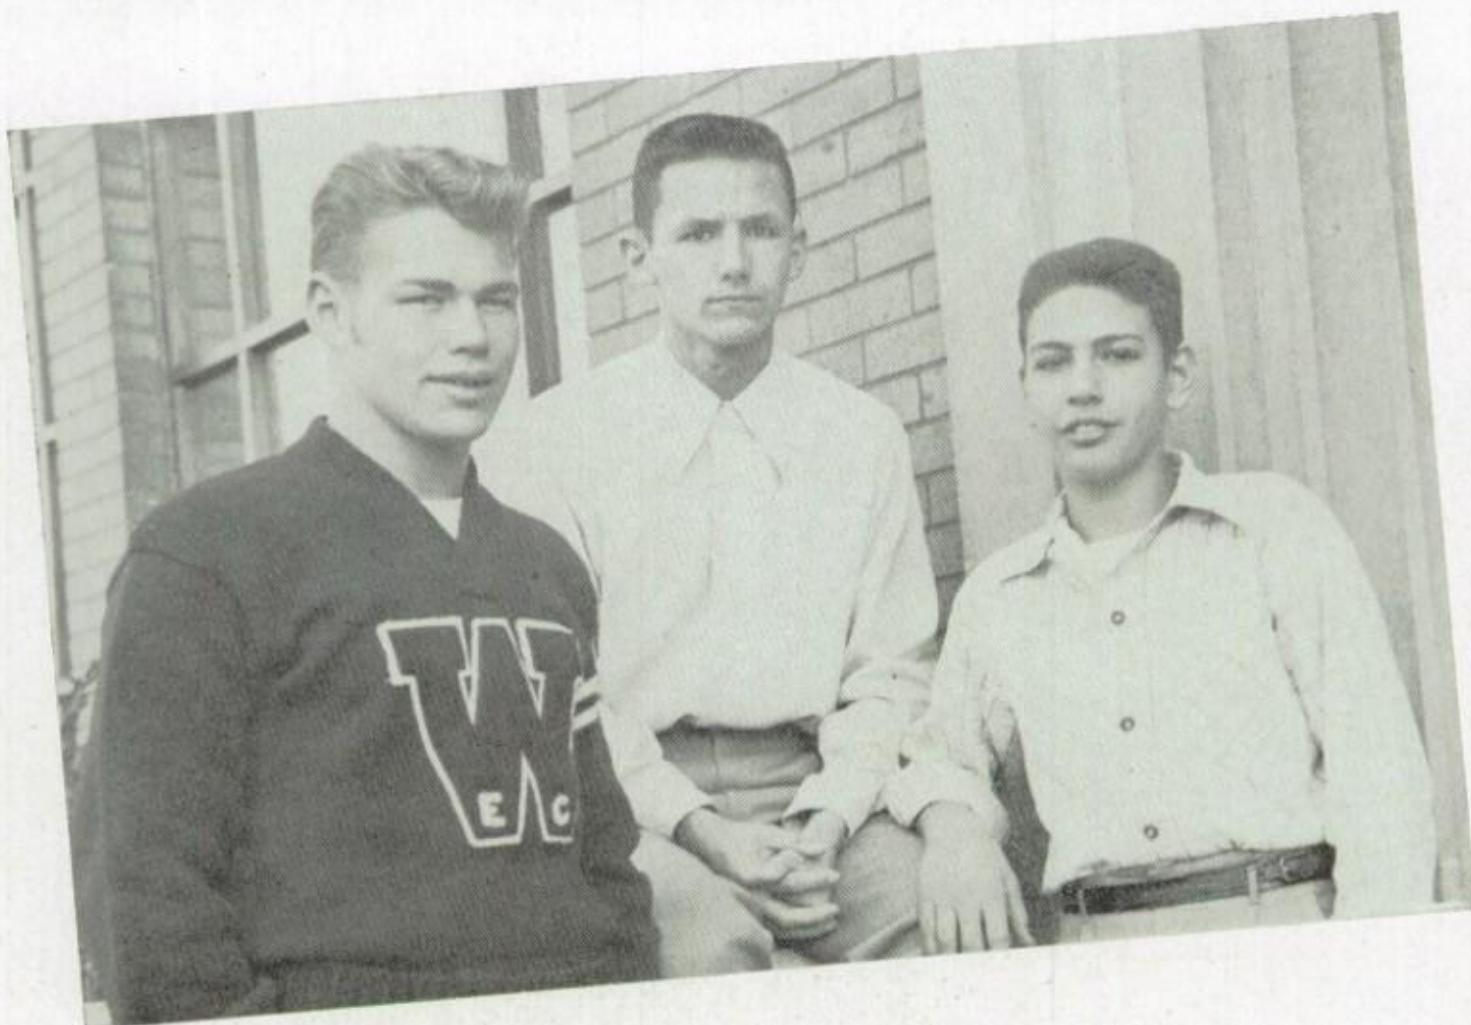

"THE WIZARD OF OZ"
The Theater for Young People, under the direction of Miss Mildred Johnston, presented the play, "The Wizard of Oz" at two assemblies. The cast was chosen from students in the 9th, 10th, and 11th grades. The play was a delight to students from the first grade to the twelfth, for it was presented in such an amusing way with some very authentic costumes that everyone was entertained. Some very good talent was discovered in this play, and Miss Johnston will have little trouble selecting a cast in the years to come.

SENIORS OF 1950

SENIOR CLASS OFFICERS

Arnold Nelson, vice-president; Joseph Matuga, president;
Edward Gaio, secretary.

From the many candidates running for the senior class offices, the seniors chose the three they thought the best; and throughout the school term, they realized that they had chosen wisely.

Joe Matuga was elected president. Joe was not only an excellent student but was also active on the basketball and baseball teams. Joe presided at the senior class meetings and helped select seniors to serve on committees.

Arnold Nelson was chosen as vice-president of the class. Arnold also was a good student and a three-letter man. Arnold assisted Joe in selecting committees.

For the position of secretary, the class elected Ed Gaio. Ed was well-known for his work in the classroom, and his place on the wrestling team. Ed kept a record of each meeting.

The senior class is proud of their choice of officers. All three boys have proven themselves worthy of the confidence placed in them.

COMMENCEMENT

We file in one by one, conscious of our friends murmuring their approval. We take our seats, conscious of the eyes that gleam on us with pride. Tonight we are graduating from the best years of our lives. This is our last appearance as a class — the class of 1950.

Tonight we are a group glorified; tomorrow we will be separate units. Tonight we are a group approved of; we are bestowed with honor and glory; tomorrow we are on our own. In every heart with the fear and hope, there is a prayer that tomorrow and in all the tomorrows to come we will merit the same approval, honor, and glory.

The pages signify that it is time for us to receive our diplomas. We rise and one by one walk across the stage with all the dignity we can muster in spite of the lumps in our throats. We clutch our diplomas . . . a feeling of exultation goes through us. As the triumphant strains of the recessional resound through the auditorium, we walk out with a new realization. Now, we are on our way to make the years ahead the best years of our lives.

The 1949 football team not only won six out of nine games but also tied for second place in the Western Division Conference. The team won victories over down state rivals — Terre Haute Gertsmeyer and Mishawaka. Our conference victories were over the strong teams of Gary Lew Wallace, Whiting, Gary Tolleston, and Hammond High.

Because of their team's achievements and their individual playing abilities, Mehilo Keseley, Ray Vanderzeyde (captain), and Eugene Rumas received honorable mention for the All-State Football Team.

VARSITY TENNIS TEAM

This season, our tennis team was the only team in our athletic program that took a conference championship. They had a perfect conference record consisting of four wins and no losses. They also won a semi-final but were defeated by Mishawaka in the finals. To them, go our congratulations with a great deal of pride.

The following boys received awards for tennis:

First year awards — Monograms

Warren Blumenfeld
Paul Bubala
Joseph Jarabak

Second year awards — Block Letters

Herbert Bradford
Donald Dupes
Harvey Feigenbaum
Alton Pearce

Third year award — Sweater

Charles Kelly

The record stands as: Conference Champions

W. H. S.	4	—	Hammond High	1
W. H. S.	5	—	Clark	0
W. H. S.	4	—	Clark	1
W. H. S.	3	—	Hammond High	2

Playoff showed them as: Semi-Final Champs

W. H. S.	9	—	Hammond High	5
W. H. S.	2	—	South Bend	1

RESERVE BASKETBALL

Our reserve team clearly showed that they were capable of being next year's varsity. They developed quickly and attained a high degree of skill. The team was handicapped in that many of its players were taken into the varsity ranks. We have a new coach this seson, Coach Karr. We extend our wishes to him for many fine years at Washington.

RESERVE BASKETBALL

First Row: Coach Karr, Popovich, Winbush, Comer, Martin.

Second Row: Patterson, Reaven, Sisko, Guiden, Fagyas, Stamatakis, Sertich.

Third Row: Battle, Juratic, Gaskey, Luscovich.

FRESHMAN BASKETBALL

First Row: Bridgeman, Smith, Pinkins.

Second Row: Campos, Flynn, Goldsmith, Lien, Arrendondo, Phillips, Bozeman, Coach Kendall.

Third Row: Wilmot, Seto, Tracy, Wittig.

Varsity Basketball

First Row: Sedor, Matuga, Gillis, Pinkins, Buzea, Comer (manager).

Second Row: Coach Baratto, Rescan, Govorchin, J. Manous, Mahan, G. Manous, Wolak, Molodet.

This year's team was one of the most balanced in the conference. There were seniors, juniors, and sophomores on the team that made a fine showing during the last season. Among the team's accomplishments were the winning of the Martinsville Holiday Tournament and the great upset of Gary Froebel, previously unbeaten, during the regular season.

The seniors on this year's team were Sedor Govorchin, Mahan, Gillis, Matuga, and Reschan. The junior class added J. Manous, G. Manous, Buzea, and Wolak. Molodet, a sophomore, was also on the varsity.

The team won 15 and lost 7 during the whole season (including tournaments). Some of the games lost were under a 5 point winning edge. The most bitter loss to take was the loss to city rival, Roosevelt, in the tournament. We wish Coach Baratto a lot of luck in the coming season. With his fine coaching and a fine group of boys coming up, we are sure to continue being a winner.

WASHINGTON GRAPPLERS

This year's team was the most balanced our school has had for a long time. It placed several men in the conference and state championship meets. In the state finals, Charles Clark took second place; Nemo Ciochina, third; and Richard Dolnics, fourth.

Among the boys who will return next year are Shehigan, Lax, Fox, Daugherty, and Lacota. Coach Freiburger is hoping that these boys will "come through" for him next season.

One of the honors given to selected seniors is membership in the National Honor Society. To be eligible, the student must rank scholastically in the upper third of the senior class and must meet the approval of the entire faculty. The choice is based on character, leadership, and service to the school.

The members with their sponsor, Mr. Kellam, held a meeting to select officers. This year the officers are: Ray Vanderzeyde, president; Henry Gillis, vice-president; Patti Tharp, secretary; and Kathryn Poi, treasurer. All the members have the privilege of wearing the emblem of the National Honor Society, symbolic of their accomplishment.

These outstanding students will represent the Class of 1950. We are proud of them.

DEAR DIARY...

September

Back for the last time Senior Class rings were exchanged New look hair-dos dominated the girls First Senior Class meeting Choral Club initiation had an original end with Mr Hoel, snappy, new director, making a sweeping finale Won our first three games, that's our TEAM!

October

Chuck Kelly was chosen as Student Manager The Cubranich twins were added to inspire our team to four wins and two losses Senior Class officers were elected on October 14th All the girls posed prettily for Senior pictures You should have seen them Halloween night

November

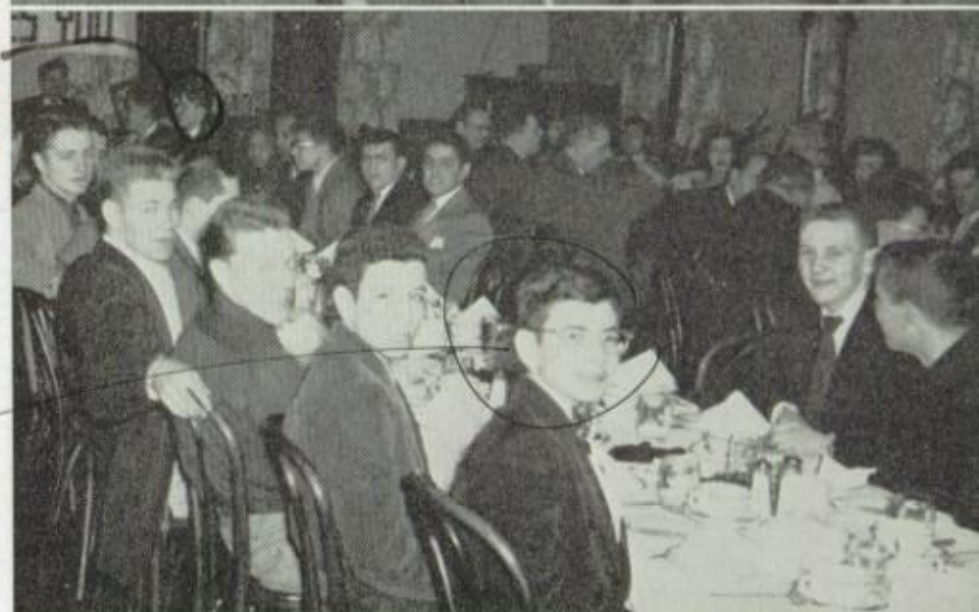

School Spirit flared at the bonfire rally the reason that's OUR team! Everyone studied during education week Choral Club Assembly rated encores Also on the entertainment end, we can't forget the Riley program by Doctor Davis Senior Class flower, colors, and motto were voted on Question of the day — "Did you buy your Senior Anvil yet?"

December

Government students wondered if the Constitution is our greatest heritage or our downfall Basketball bounced into the picture Our college widows were the happiest girls at vacation time The spirit of Yuletide was emphasized by the Vesper Service on December 16, 1949 Christmas gift to the Alma Mater from the basketball team — a Holiday Tourney trophy.

January

We tried to resolve to remain sane till June Concert Band led the parade with a program on January 15th The Inquiring Reporter from the Weekly Anvil drove everyone mad Mid-Year Commencement on January 25th brought the end and the beginning for some of our favorite people This is our year

February

Our hearts were broken, for Roosevelt had an extremely lucky evening — we lost in the last three minutes of our second game in the tournament The students surprised themselves and Miss Johnston by giving a super-colossal performance of "Stage Door" Orchids to our wrestling team who did a swell job in both conference and state meets Something happened to the girls, brown hair turned black, blond hair turned brown, and black hair had streaks of light in it

March

"Ah spring!" we sighed as we waded through the worst snowfalls of the year But you couldn't suppress the girls of WHS, and artificial flowers were seen on sweaters and blouses in anticipation of those warm days Senior Class meetings were held and announcements and name cards were ordered — oh dear, time went too fast Everyone was proud of the Choral Club and Mr. Hoel for the fine concert they presented on Sunday afternoon, March 26th Another entertaining evening was provided by the Senior Anvil Staff when they presented "Orenda", the magician, and his evening of mystery

April

Easter came and went and we had five whole days of vacation — and all the boys came home from college — oh yes, the girls came home, too Choral Club wowed the Roosevelt students at the assembly they presented there The baseball and track teams started practicing, hoping to have a good season Everyone racked their brains for a novel skit for the Hi-Lites

May

It was so beautiful out that it was a temptation not to — you know what Mr. Souter had the Seniors slaving away on their consumer reports Everyone was in a festive mood the night of the spring concert and the band, orchestra, and Choral Club presented a fine program We're sure Hollywood should come to WHS for some talent Plenty turned up at the Hi-Lites and it was a great show Not many more days left

June

The Seniors were both happy and sad Hobo Day was such fun and almost all the Seniors went wild Senior Day came at the right time, for almost everyone was at a Spring formal the night before Class day was perfect, and the Baccalaureate service was beautiful But everything happened too fast — for all that's left now is — graduation June 14th the happiest, — yet saddest, day of our lives

No Matter What Tomorrow Brings, the Soul Inside
Me Sings That These Have Been the
Best Years of Our Lives.
